Supervisor Gardner Asked the Town Clerk to read the Emergency posting.

Cedarwood Engineering came in with the lowest bid. MJE was the next lowest proposal. MJE proposed using a subcontractor for the equipment needed, Westtex Equipment. This being the case, the only parts we could purchase would be through them only. Cedarwood would use equipment that parts can be purchase through various vendors.

Jim Dougan went over the proposals agreeing that Cedarwood had everything that was required in the RFP.

Resolution 28-2017

Resolution 28-2017 is being made to award the RFP bid to Cedarwood Engineering for the water treatment design and filtration.
